

In my heart

It's not right but I can't stop now, it's too late to back out
It's no use I've been up all night, coming down from this high

You get me where I want to go, it's not like you don't know
You tell me what I want to hear, but so far it's unclear

You're in my heart, you're on my mind, I'm suffocating when
you're by my side
Feel my head rush with every touch, hear what you're saying, but
it's not enough

I'm so sick of the way this feels, it's perfect, it's not real
I can't stand knowing you're just fine, cause I'm not alright

You're in my heart, you're on my mind, I'm suffocating when
you're by my side
Feel my head rush with every touch, hear what you're saying, but
it's not enough
