

Waste of love

Matt Johnson/Elli Erl/Adam Browder 7.11.06

I never see you smile, I can't make you laugh
Nothing makes you happy, I guess I can't change that

I give you everything and you don't appreciate it
You always take advantage and take me for granted
Baby, you're such a waste of love

I'm sick of trying to make this work I'm the only one
Giving anything, I've had enough, I'm done with this
You're such a waste of love, you're such a waste of love

I can't make you love me, I know life's not fair
You don't know it, but you've lost me
And I'm the only one who cares

Repeat Chorus

I don't know why I tried to fix you
Cause now, I'm broken too
